

Job Title: Fielding Operations Intern

Job Type: Seasonal or Internship

HARTUNG BROTHERS, INC is a family owned and operated agribusiness. We have been developing a wide range of solutions for agriculture's producers and processors alike since 1975. Hartung Brothers offers agriculture contracts for seed corn and cucumbers to farmers and processors.

We are currently in need of a Fielding Operations Intern for our Midwest Cucumber Division. The Fielding Operations Intern is responsible in assisting the Field Supervisor on the various operations it takes to grow and manage the cucumber crop from planting to harvest. These operations include but are not limited to planting, cultivation/ side dressing, band spraying irrigation management and field scouting. Our fields are in and around Sturgis, MI. You must be self-motivated, very detailed oriented and devoted to crop production.

Responsibilities:

- Operating various pieces of farm equipment depending on the operation
- Pest scouting and adjusting or operating pest-control equipment.
- Continually monitor and report field health, quality concerns or deviations to supervisory management.
- Sampling crop to determine desired harvest date for maximum yield.
- Aid in the decision-making process surrounding new agricultural business techniques.
- Creating and analyzing maps related to crop yield, drainage systems, and other precision agricultural data.
- Prepare reports and create field manifests utilizing HBI operating systems.
- Comply with company and customer regulations, reporting and policies.

Preferred Qualifications:

- 1-2 years of experience operating farm equipment and scouting
- Thorough knowledge of vegetable crop production with emphasis on soils, diseases, pests and nutrient needs.
- Candidate **MUST** be a self-motivated and detail-oriented person with high drive to be able to focus in a high tempo environment with ability to adapt to changing situations on a daily basis.
- Must be comfortable working outside in all weather conditions.
- Excellent communication skills, organization is key to a successful work environment.
- Must have knowledge of health, safety and food safety standards pertaining to the agricultural infrastructure (training provided).

To apply for this opportunity: Send your resume to CAREERS@HARTUNGBROTHERS.COM OR apply online at WWW.HARTUNGBROTHERS.COM/CAREERS

The above statements are intended to describe the general nature and level of work being performed by people assigned to this classification. They are not to be construed as an exhaustive list of all responsibilities, duties, and skills required of personnel. All personnel may be required to perform duties outside of their normal responsibilities from time to time, as needed. This may include mandatory overtime, weekends, and occasional holiday work during the season.
